Kits for Iraq and Afghanistan - We collect and donate model kits and building supplies to service members in Iraq and Afghanistan. They're not on duty 24/7 and building models gives them a little downtime. Please make kit or any supply donations to Mike Bailey. Mike collects kits at every meeting (did you win a raffle kit that you really don't want?) so clean out your closet.

Cincinnati, Ohio 45208 (513) 871-2110

The July meeting (10th) is our annual picnic and cookout at Sharonwoods park on US 42 at the Fern Hollow shelter. Please bring a dish to share – and the club provides hotdogs, hamburgers and fixings. We might have a 'Port-a-Potty' on site. The picnic starts at 2 PM and runs until dark (if you want to stay that long).

The above two are paper models by Isaac Zelasny, who will be “our man in Tokyo” for 2 or 3 years because of an overseas job assignment. Best wishes Isaac and please stay in touch!

Isaac and one of his many cameras

One advantage, to me, of being in a scale modelers club, is that we can show off our models, prizewinning or not, check out others people’s builds, share stories and reference information.

My modeling spot is a table and workbench in the basement. As fine as it may be to go hide there once in a while, accompanied by our two cats, I have to emerge into the sunlight once in a while.

Going to the club meeting is a way to chat with like minded folks who like fiddly plastic bits and obscure details of teeny tiny models. Plus I’m not boring my family to tears – again!

Happy modeling and keep building!

- Rob Scherry
