Notes from Don Flynn

March's meeting will be our annual kit swap (March Madness anyone) so bring anything you want to sell. Please remember club members are always welcome to bring stuff for sale or trade each meeting, this is the swap we do normally in February but we forgot to mention it last meeting so better late than never :-). We're also due for officer elections in March. Anyone wanting to get involved in the front office, now is your chance.

Wants & Disposals - If you have a want or a disposal, please call (513) 489-5387, or email: rschorry@cinci.rr.com

- I am looking for 1/72 US Marine figures of the Korean War Dave Reed reed.dw@pg.com

- Please build a B-25 and or a T-6 for the TSWM! Any scale will work and we plan on trading them out in April or May. I would like to purchase some Hasegawa P-47's in 1/48, bubbletop only please.

TSWM = Tri-State Warbird Museum

Kits for Iraq and Afghanistan We collect and donate model kits and building supplies to service members in Iraq and Afghanistan. They're not on duty 24/7 and building models gives them a little downtime. Please make kit or any supply donations to Mike Bailey. Mike collects kits at every meeting (did you win a raffle kit that you really don't want?) so clean out your closet.

Interested in writing an article or taking photos? The *CSM Debrief* is looking for original info on models, workbench techniques, or Roadside Relics you may see. Send them to the editor for possible publication. The "Debrief" is available by post or email. It is also posted each month on the CSM club website: www.cincyipms.com and the **Yahoo Group website**. If you desire to read the Debrief in glorious color, please send an email to the editor (Rob S.) to get onto the email list.

IPMS/USA Nationals 2011 and 2012

The IPMS/USA **2011 Convention** will be held in Omaha, Nebraska August 3 - 6. The **2012 Convention** will be at Walt Disney World, Orlando, Florida in August 2012. Special convention hotel room rates will apply in Florida for a savings.

CSM Oct. 2011 Contest – Don Flynn Scarlet Oaks confirmed **Oct. 1st 2011 as our contest date**. Anyone wanting to sponsor an award let me know soon. I'm going to go through our categories to see what changes we might need. Given the numbers of models past couple years we might be able to cut the number of splits in some categories down from 4 to 3 and save a little on awards. Don't worry, I have an idea what we need and still carry a couple spare sets in case we do get surprised. I also want to make new signs for the tables this year; the old ones have seen better days.

Make N Take

The CSM will be hosting a **Make N Take** on Saturday March 19th from 10 AM – 2 PM at the Tri-County Hobby Lobby (11360 Princeton Pike, Cincinnati, OH). If you think you can help young modelers in the craft please contact Dave Reed (davereed_314@yahoo.com). Most of the kits are quick builds but the young folks will need help on cutting parts from sprues, sanding, fitting and gluing.

CSM Website - Steve Stohrs of NA Hobbies has built for the club a new website.

We thank Steve for all his hard work! His business site: <http://www.nahobbiesestore.com>

Steve has posted a huge batch of pictures to the website from the October 2010 Contest.
